What are your thoughts?

Join Us at a Public Meeting

The National Park Service has scheduled the second set of public meetings for the New River Gorge National River
General Management Plan and Nuttallburg Implementation Plan.

Please come and join the discussion so that you can help answer the questions:

- What are the issues that should be considered in the General Management Plan for the park?
- What are your ideas for the future of the park?

The National Park Service appreciates your comments on the GMP planning process. We ask that you please provide your comments at the public meetings, or you are invited to respond in writing or by electronic mail.
